

# Carer and Patient Forum

**South Essex Partnership University NHS Foundation Trust (SEPT) provides Community Health services across Epping, Harlow and Uttlesford, including:**

Community Nursing, Specialist Nursing, a range of Therapy Services, Community Dental and Podiatry services and Health visiting, community Hospitals and Rehabilitation services, outpatient Services.

**We will be holding regular Carer and Patient Forums with the following goals:**

- help create relationships between the people who use our services, their carers and the teams who provide them;
- help carers and patients develop confidence to speak out about their healthcare needs and local services;
- help carers and patients use their experiences to improve services across all SEPT services;
- raise awareness of changes and improvements in local healthcare by SEPT.

**Please join us for one of these sessions in your local area:**
